 - 29- Repair Canoes

For more information please contact the camp at info@monroecamp.org or (910) 276-1654. All projects will need to be approved by our Site Manager, Jon Stricklin to consider safety for the camp and the scouts. For Eagle Scouts to consider our site for their project is blessing to our ministry. All projects would be extremely helpful to the ministry at Monroe Camp & Retreat Center. Thank you for your consideration
