

SUMMER CAMP OPEN HOUSE

SUNDAY, JUNE 3 from 2PM-5PM

Get a sneak peak at Monroe before we kick off Summer Camp. There will be opportunities for guests, campers, and their families to tour a cabin, meet the camp staff, and participate in some of our great activities at the camp.

Whether you've already registered or want to register...come and enjoy what Monroe has to offer with the whole family!

Enjoy a walk around the camp, hop in a canoe in Lake Andrew, catch a fish with our new fishing poles, cool off in the pool for a swim, try out a new craft, take a quick ride on one of the horses, or shoot some arrows over at the archery range, and enjoy fellowship with other campers and families.

If you attend, you'll also be able to enter our drawing for a FREE WEEK AT CAMP!
