

CAMP MONROE

Annual Report

2023

Reflecting on this past year at Camp Monroe fills my heart with immense joy and gratitude. As the Director, I am thrilled to share the remarkable growth and success of the summer as we embraced the true spirit of faith and friendship that defines our camp experience.

Our camp experienced an unprecedented increase in registrations, a true testament to the dedication of our team and the exceptional programs we offer. The response from campers and families has been overwhelming and we welcomed a record number of young adventurers eager to embrace the challenges and excitement that awaited them.

Throughout the year, we witnessed the transformative impact camp has on young people. From thrilling outdoor adventures to creative arts, each moment at camp was filled with laughter, friendship, and personal growth.

As we plan for the future, we are committed to enhancing our programs and expanding our offerings to open the camp experience to more youth and young adults. The enthusiasm and energy we witnessed from our campers and staff has inspired us to set our sights even higher, with fresh ideas and plans in the making.

Looking ahead, we envision another year brimming with new opportunities for growth, discovery, and joyful moments. And always, keeping our eyes focused on Jesus!
